- Paper size: double letter size
- Material: crayons

Arts and Crafts:

- On a card board use of waste material
- Waste material: left over pieces of scrap paper, cardboard, basically any stationary material you would normally throw away, etc...

Theme

- The Theme for both categories will be the same.
- The theme will be presented on competition day
- Theme will be related to Education Week

Competition Guidelines

- Competition and awards ceremony Saturday, May 8, 2004
- Students to prepare content to compete
- All content to be prepared on competition day
- A school can choose to compete in either category or both.
- Material necessary for both categories will be provided to students on competition day.
- Competition to be 1.5 hour in duration during school hours, judging and awards ceremony right after.
- All work produced by students to be displayed at a location open to the public. Example location: shopping mall. This would increase our visibility.
- Teachers and students do not have to put aside extra time for the competition, other than competition day.
- Substitute instructor for each participating program will be financed by the board.

Advertising

- Theme will be announced on website.
- Press release to be prepared and media to be invited to awards ceremony
- Competition to be announced in School board newspaper.
